RE.: Halberstam, Herschel v. Global Credit & Collection Corp.
Case Number: 1:15-cv-05696-BMC

Dear Judge Cogan:

We represent the Defendant, Global Credit & Collection Corp. in the above referenced case. We are requesting an adjournment of the January 21, 2016 conference before your Honor. We are requesting an adjournment of three weeks to fully consider all possible options in this matter in light of your ruling on the Cross-Motions for Summary Judgment. Plaintiff's counsel has been contacted and consents to the adjournment. However, Plaintiff would like to note their preference to proceed with the next steps, but is consenting to allow Defendant adequate time to fully consider all of the options, including revisiting settlement or appeal.

Thank you for your time.

Sincerely,

s/ Brandon M. Wrazen (BW8032)
